Memorandum

To: Counsel of record and pro se parties
From: Jack Kirby
Date: May 4, 2015
Re: June 29, 2015, Peremptory Calendar

Pursuant to Uniform Superior Court Rule 20, attached is a calendar of pending civil cases in Carroll County which are more than one year old and in which the discovery period has expired. Your appearance is required on June 29, 2015, at the Carroll County Justice Center, 323 Newnan Street, Carrollton, GA, at 9:00 a.m. to answer the calendar call. In the event your case is ready for trial, it will be scheduled. In the event your case is not ready for trial, the Court will impose a scheduling order. Failure to appear at the calendar sounding may result in the Plaintiff's case being dismissed without prejudice, or the Defendant's answer, counterclaim and/or cross-claim being stricken.

You may not answer this calendar via telephone, U.S. mail or by placing the case on a future calendar. However, the Court will be available on June 22, 2015, to have a conference call with attorneys and pro se parties to discuss the status of a case; provided, that the conference call is arranged with my assistant, Lindsay Fenn, at 770-683-0424, by June 19, 2015; and, provided further, that all attorneys and pro se parties involved in the case agree to participate in the conference call.

With the exception of the foregoing, the only way a case will be removed from this calendar is by entry of a final order, an order of dismissal, an order of continuance or an order scheduling the matter for trial which has been signed by me and entered prior to June 24, 2015.
